2012 JACK ESTATE COONAWARRA WRATTONBULLY SHIRAZ

Winemaker Notes

Excellent winter and spring rainfall, with even summer temperatures resulting in a near perfect growing season for Vintage 2012. These conditions, combined with cool autumn night temperatures and lower than average yields, allowed all varieties to achieve full fruit maturity with ease.

Individual assessment of each block of Shiraz allowed the grapes to achieve optimal ripeness, flavour and tannin development as the season progressed. Only the finest parcels of fruit were selected from premium Coonawarra and Wratttonbully vineyards, enabling our winemakers to craft a wine that reflects this perfect synergistic combination.
